INCOME STREAM 1

Direct Income — 5%

Primary Tier — 3%

Earned from your first-level direct referrals upon their capital activation.

Secondary Tier — 2%

Supplementary earnings from extended direct team participation.

ROI Level Structure

ROI Levels unlock sequentially based on the number of active direct referrals in your network. Each level generates a percentage return from your team's structure.

Activation Policy: Level 1 requires 2 active directs. Level 2 requires 3 directs. Levels 3–25 require one additional active direct per level — totaling **26 active directs** for maximum depth. All ROI levels are valid for **12 months** from activation.
