Warehouse Revenue & Detailed Commission

Revenue Sharing Architecture:

The Vera Group warehouse model is built on a **cascading revenue sharing architecture**. Higher tier warehouses earn both direct commissions on their own sales and **overriding commissions** on the sales of lower tier warehouses beneath them in the network.

Commission by Tier

Warehouse	Commission
Nexus	25%–40%
Metro	15%
Local	12%
Swift	10%

20 Machine Example :- Total Sales Value: ₹7,08,000

Warehouse	Commission	Total Sales Value	Commission Value
Nexus	25%	₹7,08,000	₹1,77,000
Metro	15%	₹7,08,000	₹1,06,200
Local	12%	₹7,08,000	₹84,960
Swift	10%	₹7,08,000	₹70,800

Nexus Overriding Commissions

A **Nexus warehouse** earns not only its direct commission but also **overriding commissions** on all sales made by Metro, Local, and Swift warehouses within its network. This creates a powerful passive income layer for top tier partners.

Base: 20 machines × ₹35,400 = ₹7,08,000 total sales value.

Warehouse Sales	Override Rate	Base	Overriding Commission
Metro Warehouse Sales	10%	—	₹70,800
Local Warehouse Sales	13%	—	₹92,040
Swift Warehouse Sales	15%	—	₹1,06,200
Total Overriding Commission	—	—	₹2,69,040

📌 The Nexus tier is the most powerful position in the Vera Group distribution network combining direct commissions with substantial overriding income from the entire sub network.

Commission Structure for Successful Trip Bookings

Our commission model rewards you based on the profit generated from each booking you bring in. As you achieve more successful bookings, your commission percentage increases — creating a powerful incentive to grow your portfolio.

Booking	Destination	Invoice Value	Company Profit	Commission Rate	Your Commission
1st	Manali	₹3,00,000	₹50,000	5% of profit	₹2,500
2nd	Lahaul and Spiti	₹5,00,000	₹1,00,000	7% of profit	₹7,000
3rd	Lakshadweep	₹7,00,000	₹1,50,000	7% of profit	₹10,500
4th	South India (Tirupati)	₹10,00,000	₹2,00,000	9% of profit	₹18,000
5th	Singapore	₹15,00,000	₹3,00,000	10% of profit	₹30,000

NOTE: We organize all types of travel experiences, including **Corporate Trips, School & College Tours, Family Tours, and Spiritual Tours**

How It Works

Your commission rate scales progressively with every successful booking — the more you deliver, the greater your share of the profit.

1

1st Booking → 5% of Profit

Your journey begins. Every first booking earns 5% of the company profit generated from that trip.

2

2nd & 3rd Bookings → 7% of Profit

Momentum builds. Your second and third successful bookings unlock a higher 7% commission tier.

3

4th Booking → 9% of Profit

Consistency is rewarded. Reaching your fourth booking elevates your rate to 9% of profit.

4

5th Booking & Beyond → 10% of Profit

Peak performance tier. From your fifth booking onward, you earn the maximum 10% commission on every profit generated.

❏ Commission is always calculated as a percentage of the **company profit** from each booking — not the total invoice value.
