Commission Structure for Successful Trip Bookings

Our commission model rewards you based on the profit generated from each booking you bring in. As you achieve more successful bookings, your commission percentage increases.

Booking	Destination	Booking Value	Company Profit	Commission Rate	Your Commission
1st Booking	Manali	₹3,00,000	₹50,000	5% of profit	₹2,500
2nd Booking	Ladakh	₹5,00,000	₹1,00,000	7% of profit	₹7,000
3rd Booking	Lakshadweep	₹7,00,000	₹1,50,000	7% of profit	₹10,500
4th Booking	South India (School Trip)	₹10,00,000	₹2,00,000	9% of profit	₹18,000
5th Booking	Singapore (School Trip)	₹15,00,000	₹3,00,000	10% of profit	₹30,000

How It Works

- For your first successful booking, you will earn 5% of the profit generated from the trip.
- From the second and third bookings, your commission increases to 7% of the profit.
- On your fourth booking, you will earn 9% of the profit.
- For your fifth booking and beyond, you will earn 10% of the profit generated from the trip.
- This progressive commission structure is designed to reward consistent performance and encourage long-term partnership growth.
